PROFILE

Trilingual content creator and communicator (native Chinese, advanced Spanish and English) producing short-form video for Chinese and Western social media since 2021. My own content has reached **over 1 million views with a single series**, and I have created UGC for **20+ B2C brands** in fashion, sport and beauty, plus **24 videos for the official accounts of the Universitat Politècnica de València (180,000+ views)**. I also bring four years of coordination experience in the General Management Office of a Chinese state-owned company and a Master's in Transmedia Communication (UPV).
