EXPERIENCE

Content Creator (internship)

Universitat Politècnica de València · May – July 2026

- Scripting, filming, editing and on-camera presenting for UPV's official TikTok and Instagram accounts.
- 24 videos published, with over 180,000 total views; the top video exceeded 34,000.

Content & UGC Creator

Freelance · 2021 – present

- Fallas series as a fallera (2026), with UPV: over 1 million views.
- 9,000+ followers across Chinese and Western platforms; one video exceeded 2 million views.
- UGC (photo and video) for Red Bull, Converse, Hollister, Uniqlo, Under Armour, Miss Sixty and Mo&Co.

Executive Assistant, General Management

POWERCHINA Chengdu Engineering Corporation Limited · 2019 – 2023

- Contributed to the redesign of the document management (OA) system: workflow analysis, requirements, vendor coordination, testing and training; rolled out across 15 departments.
- Designed standardised templates for official documents, adopted company-wide (1,300+ employees).
- Coordinated General Management and departments; digitised the archive and managed official seals.

PROJECTS

- **Niu&Nos · Master's thesis (2026):** end-to-end DNVB branding: brand manual, transmedia strategy, website and video.
- **Essencia Inmobiliaria** (academic project with a real client): videos made with generative AI and a social media strategy.
- **UPV Respira** (academic project): transmedia wellbeing strategy for the campus and demo website.

OTHER EXPERIENCE

- **SPF–Rush Valencia (2024):** Chinese–Spanish interpreting and on-site coordination at a summer football camp; Xiaohongshu (RedNote) content strategy advice for the Chinese market.
- **Sourcing from China (January 2024):** custom products sourced in China for an art studio.
